

Our struggle is, and always has been, for the hearts and minds of our children, who are our future and our hope.

We, of Christ Missionary & Industrial College, believe it is through a biblically based education that victory will be won.

C. M. & I. is committed to continuing in this struggle and winning it for as many children as the Lord allows.

Willing workers, like-minded souls, Crusaders all, join us in the struggle for the hearts and minds, the very lives, of our children.

## Certified Teachers = Qualified Students

Certified teachers and small class sizes are essential to a quality education. C. M. & I. models this highly effective principle and encourages one-on-one instruction as often as possible. Our students consistently meet or beat the established achievement goals in the levels of: Day Care, K - 5th grade, 7th grade - High School and in the Department of Religious Education through onsite, online and satellite BA college course studies.

Our athletic programs are highly successful and garner statewide recognition, however at C.M. & I the athletic programs are more than opportunities to display athletic prowess. They are opportunities for our children to build character, develop leadership skills, exhibit their faith and demonstrate that commitment, self-sacrifice and teamwork are the prerequisites to a successful life.

Our school is located in the heart of our State Capital; Jackson, Mississippi on 23 acres of land and is accredited with the Mississippi Association Independent Schools (MAIS).
